**No. 1318**

**Introduced by Senator Cedillo**

February 16, 2006

---

An act to add Section 11380.7 to the Health and Safety Code, relating to controlled substances.

LEGISLATIVE COUNSEL'S DIGEST

SB 1318, as amended, Cedillo. Controlled substances: sales near drug treatment center or homeless shelter.

Existing law makes it a felony, punishable by imprisonment in the state prison, to engage in specified unlawful activities involving heroin, cocaine, cocaine base, methamphetamine, or phencyclidine (PCP).

This bill would provide that any person who is convicted of trafficking, as defined, in any of these controlled substances, or of a conspiracy to traffick in any of these controlled substances, in addition to the punishment imposed for the conviction, shall be imprisoned in the state prison for an additional 2 years if the violation occurred upon the grounds of, or within 1,000 feet of, a drug treatment center, detoxification facility, or homeless shelter. *The bill would provide for exceptions to the imposition of this enhanced sentence under certain circumstances.* The bill would set forth legislative findings, declarations, and intent relating to its provisions. By creating ~~new enhancements~~ *a new enhancement* for existing crimes, this bill would impose a state-mandated local program upon local governments.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state.

Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes.  
State-mandated local program: yes.

*The people of the State of California do enact as follows:*

1 SECTION 1. (a) The Legislature makes the following  
2 findings and declarations relating to drug trafficking near drug

5 exists among recovering drug addicts and homeless individuals  
6 adjacent to and around drug treatment centers, homeless shelters,  
7 and other service providers in this state.

8 (2) In order for drug abusers to overcome their addiction, the  
9 areas around treatment centers must be free of drug traffickers  
10 who prey on the vulnerability of victims of drug addiction.

11 (b) In recognition of these findings and ~~declaration~~  
12 *declarations*, it is the intent of the Legislature, by enacting this  
13 legislation, to do the following:

14 (1) Support increased efforts by local law enforcement  
15 agencies, working in conjunction with drug treatment centers,  
16 mental health centers, and other homeless service providers.

17 (2) Suppress trafficking adjacent to and around facilities and  
18 agencies dedicated to drug recovery and rehabilitation to  
19 eliminate the victimization of drug addicts attempting to recover.
